

Are you new to teaching Science or in the first 5 years of your career?

Supported by:

This Conference is an opportunity for early career teacher and pre-service teachers to be involved in **interactive learning activities** as well as **gather resources** that will enrich and inform their science teaching.

The program includes specialised workshops for **both Primary and Secondary Teachers**.

Register online at www.sasta.asn.au

8.30am	Registration				
8.45am	Opening and Welcome				
9.00am - 10.10am	Session 1	S101 This is how paper making becomes child's play! Tracy King The Travelling Papermaker	S102 Sharing successful strategies for providing student feedback Bronwyn Mart Retired science teacher	S103 Keep calm and throw out your textbooks Lara Lang and Dr Catherine O'Halloran Cabra Dominican College	S104 Flipping senior science - a journey Toby Ward Brighton Secondary School
Year level focus		Primary Years	Middle / Secondary Years	Senior Years	
10.10am	Morning tea				
10.30am - 11.40am	Session 2	S202 & S301 Diving into STEM: 3 teachers and a pool of ideas Mike Hawkey Two Wells Primary School Dina Phan Swallowcliffe School P-7 Jenny Woodcock Hewett Primary School	S202 I volunteer as tribute: The PD Games Alex Fowler Woomera Area School	S203 Life Hacks: Fact or Fiction? Myth busting internet advice through science Shane Meegan Christian Brothers College	S204 Sliding SHE into your lessons Hilary Jones Australia's Science Channel
Year level focus			All	Middle / Secondary Years	
11.45am - 12.55pm	Session 3		S302 Getting into gardening - boots and all Joanna Whitehead Barmera Primary School	S303 Using stop motion animation to demonstrate science understanding Malcolm Rogers Cowell Area School	S304 Thinking about thinking Renee Rees and Michelle Burt Cardijn College
Year level focus		Primary Years	Primary / Middle Years	Middle / Secondary Years	
1.00pm	Lunch				
1.30pm - 2.40pm	Session 4	S401 Using STEM strategies to teach the digital technologies curriculum Abby MacPherson Burnside Primary School	S402 Creating engaging spaces using animals (dead or alive!) Mike Hawkey Two Wells Primary School	S403 Naked and Hungry - How science teachers will save the world! Ben Stockwin Primary Industries Education Foundation Australia	S404 Flipping the classroom Paul Gavini Marrayatville High School
Year level focus		Primary Years	Middle / Secondary Years		
2.45pm - 3.55pm	Session 5	S501 Naked and Hungry - How science teachers will save the world! Ben Stockwin Primary Industries Education Foundation Australia	S502 Planning science learning for composite classes Sonia Cooke DECD	S503 Collecting evidence to help you move from Graduate to Proficient Adrian Dilger Catholic Education SA	S504 Teaching Stage 2 Biology in 2018? Dr Kathy Adams SACE Board of SA
Year level focus		Primary Years	All	Senior Years	
4.00pm	Close and Happy Hour
