

## Activity 4: Galaxies And Stars Scavenger Hunt

Auroras Paintings in the Sky - [http://www.exploratorium.edu/learning\\_studio/auroras/index.html](http://www.exploratorium.edu/learning_studio/auroras/index.html)

What do they look like?

What do they look like from space?

---

---

What makes them happen?

---

---

Where can you see them?

---

---

Why are they different colors?

---

---
