Video Submission Process

Uploading your video submission:

1. Go to vimeo.com and either log in (if you already have an account), or select 'Join free' and follow the prompts to enter your details.
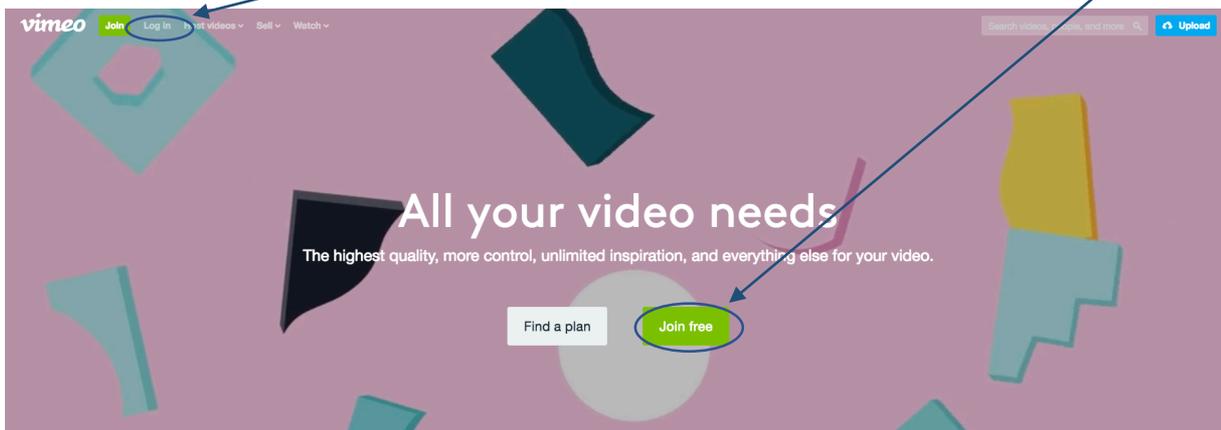

2. To upload your video, click on 'upload' in the top right corner of the screen.
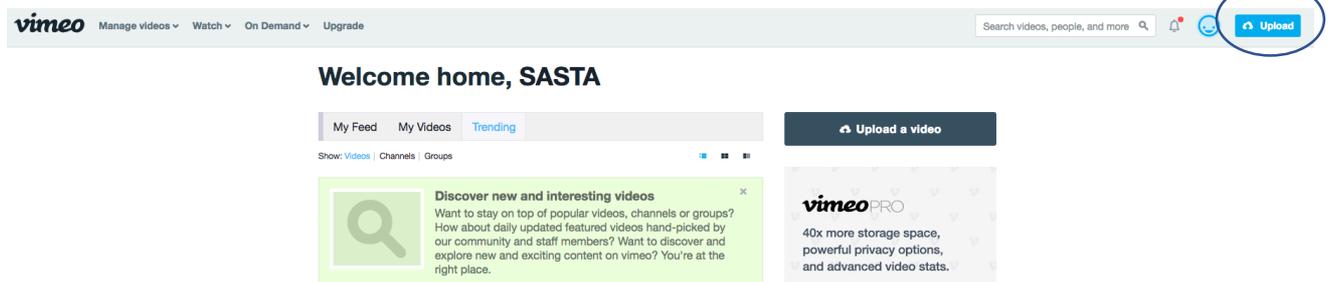

3. Choose the privacy option 'only people with a password can see this video' and enter the password 'Oliphant18' – **THEN** upload your video
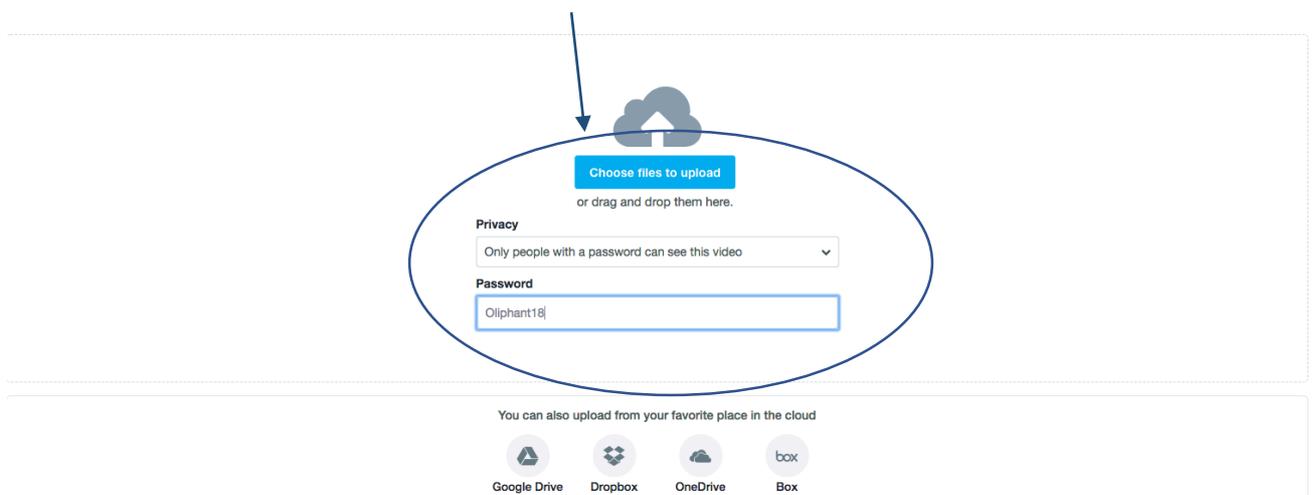

4. Ensure you have named the file with your last name and your ID number and click 'save'
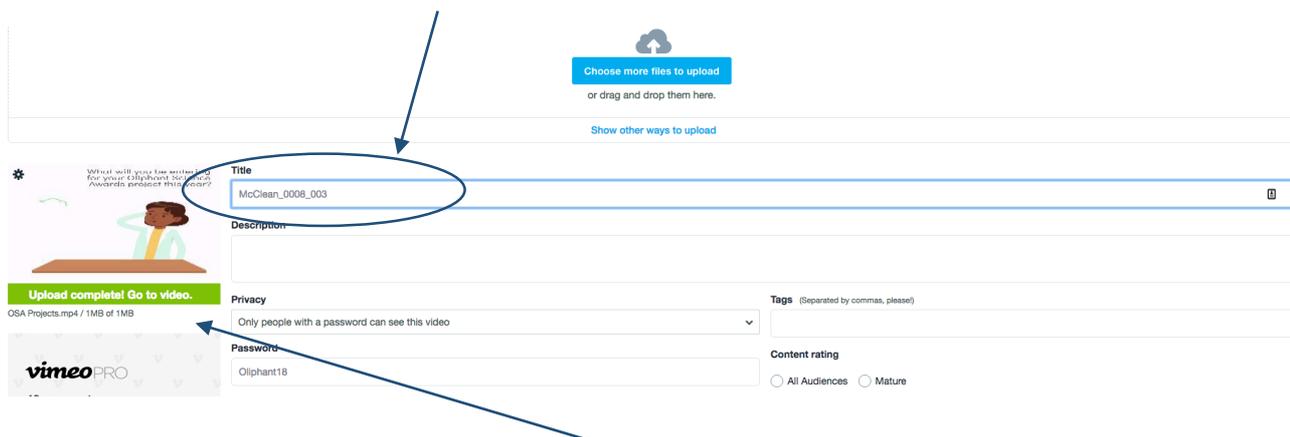

5. To check your privacy settings, click on 'go to video'.

6. Click on the 'settings' button below your video
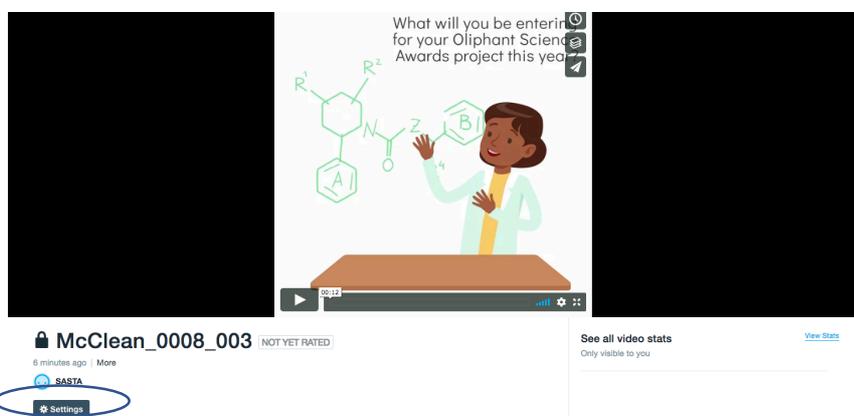

7. On the left-hand menu, click on the 'privacy' button. Under the heading 'who can watch this video?', ensure 'only people with a password' is still selected. Check that the password is still set to 'Oliphant18'

8. To get your video link, click on your video and then click on 'share' (see arrow above)
